10,000 sq. ft.

TOPIC

Disney, Costuming,
Filmmaking,
Storytelling

VENUES

Art, General, History,
Pop Culture,
Specialty Museums

**EXHIBITION
LENGTH**

3 - 6 Months

OVERVIEW

Heroes & Villains: The Art of the Disney Costume celebrates the creativity and craftsmanship behind nearly five decades of Disney film and television costumes. Showcasing iconic looks from beloved heroes and infamous villains, the exhibition explores how costume helps define character and drive story. Highlights include the “Cinderella Workshop”, featuring four designers’ takes on the famous ballgown, and a main gallery presenting heroes and villains side by side, revealing the powerful role of costume design in shaping Disney’s most memorable personalities.
