WHAT DO WE OFFER?

- A complete exhibition with the central theme dragons in the Middle Ages, where playful learning takes centre stage.
- Storytelling centred around the knight Wendel and his path to become a dragon master.
- Exciting exhibits from the Middle Ages with lots of interesting stories
- Spectacular decorations around our impressive animatronic dragons, which are faithfully reproduced, move, make typical sounds and sometimes spew smoke (size of the dragons: between 4-8 metres)
- Interactive games for children and families at the individual areas
- Print data for accompanying puzzle booklet for the exhibition
- Decoration and planning of the entire exhibition area depending on the size
- Planning a joint social media campaign (if desired)
- Setting up and dismantling the exhibition

WHAT ARE WE LOOKING FOR?

- You offer us the location with approx. 1,000 m² and we deliver something spectacular (also possible for smaller areas, as the number of exhibits can be customised).
- A partner to whom we rent our exciting exhibition to **increase footfall** and **celebrate successes** together.
