THE IMMERSIVE EXPERIENCE™

NEXT AT:

Planet Ice in Bristol, UK
From May 2025 to Jan 2026

THE WORLD'S FIRST FULLY DIGITAL AND IMMERSIVE DINOSAUR EXPERIENCE!

JURASSIC

THE IMMERSIVE EXPERIENCE™

At Jurassic, visitors can embark on an unforgettable journey into the world of majestic dinosaurs from a bygone era. Instead of typical simple moving figures, guests can digitally explore a diverse range of dinosaur species in a stunning, high-resolution virtual environment globally unique!

Furthermore, Jurassic interweaves a unique mix of media driven experiences from interactive games, unique rides to train your raptor exhibits. This immersive experience is unlike any other, seamlessly blending various forms of media to deliver a truly immersive and captivating dinosaur adventure. Discover the wonders of the prehistoric era like never before!
